From Railway Station to the conference place walking distance around 700 meters

From Platform you should go down the stairs and take exit that should be marked as Dworzec Wschodni or MDA (NOT Centrum, which is opposite direction). Then you should see the bus station (MDA). If you will find MDA on your left side you should go around the MDA building and turn right then straight. If you will find MDA on your right hand just go straight. After 150 meters will be a crossroad. Cracow University of Economics is just diagonally on this crossing.
